General Statement of Compliance

General Statement of Compliance for board materials according to IOS-MAT-0003 (v14) and IOS-MAT-0181 (v1)

Declaration format issue date: 2019-09-24

General Statement of Compliance for board materials according to IOS-MAT-0003 (v14) and IOS-MAT-0181 (v1)

Note: This form – or an equivalent form with the same information – shall be used to declare compliance with requirements according to section 1.4 in IKEA specification IOS-MAT-0003 (AA-10899-14) and section 1.4 in IOS-MAT-0181 (AA-2183046-1) for formaldehyde requirements on board materials.

We as manufacturer of particleboard, MDF (including HDF) or plywood (including plywood veneer core and plywood composite core) certify that we have read and understood above listed specifications, and that all listed products produced on and after the date or production batch indicated below, comply with IKEA requirements as listed in *Table 1*.

Table 1: List of unfinished board materials

Index #	Board full name (with type of board and thickness)	Board manufacturer's name and address (additionally state the production line, if more than one line at the same site)	Compliance to US Code of Federal Regulation 40 CFR § 770, at listed level[1] below	IKEA special limits[2] for Particleboard, MDF incl. HDF in IOS-MAT-0003 (• Complies, • Doesn't comply and made in North America)	TPC Number or TPC Name	Compliance to IOS-MAT-0181 with correlation between production control method and marked EN method		Complies with IKEA requirements as listed here in *Table 1* on and after below production date or batch	**Not** compliant with IOS-MAT-0181 as unfinished board
						EN 717-1	EN 16516		
1	Fibreboard HDF E-LE in the nominal thickness range 1,8- <8,0 mm	KRONOSPAN-MOFA Hungary Kft. Budapesti országút 72. H-7700 Mohács, Hungary	US EPA TSCA VI 770.10	ASTM E 1333 or ASTM D 6007: 0,11ppm; EN ISO 12460-5: 5 mg/100g (@6,5%MC)	TPC-10	☒	☐	01.10.2019	☐
